Proposed changes to KCC's Constitution

Every small charity like ours needs to have a set of basic rules, or a "constitution". Ours follows Charity Commission best practice and was adopted in 2014.

It generally works well but it is now a bit out of date. So, the Committee suggest we should make a few straightforward improvements. The details are in the Members Area of the website: here.

In short, the proposed changes are:

- making clear that anyone who participates in a concert is a member of the Chorus, rather than requiring payment of an annual membership fee
- allowing the Chorus to elect as many people to the committee as we like
- modernising how we manage money, so we don't have to pay for everything by cheque!
- making it simpler to tell members what's going on, by simplifying complicated procedures and taking out old fashioned and (frankly) sexist language.

We'll ask for a vote to approve the changes at the AGM. If you have any questions at all please do let Allyson or Tim know.
